

**St. Joan of Arc Secondary School**  
**Latest Learning Arrangement during the School Suspension**

25<sup>th</sup> February, 2020

Dear Parents / Guardians:

The classes have been suspended for almost 3 weeks. During the period of school suspension, the school has already made learning and homework arrangements. In order to maintain students' learning motivation and interests, the school will enhance teaching and learning arrangement. Starting from 2<sup>nd</sup> March, 2020, teachers will produce and upload learning videos to the school's website for self-learning. In addition, teachers will start "real-time" learning mode according to a destined timetable. Parents and students will be further informed of the relevant arrangement through e-Class App this week, or you can surf the school's website for details.

With parents' guidance and supervision, it is hoped that students are able to get access to learning materials and to attend "real-time" lessons.

Yours sincerely

Yuen Cheung Oi

Principal
